## **Ministries At NWEFC**

Have we got a ministry for you and your family? Definitely! NWEFC offers a variety of ministries for all age groups. Check out the ministries listed here for something that fits your needs.

### **Worship**

---

The worship team is actively involved in the Sunday services and other events of the church. If you have vocal or instrumental talents and would like to make use of it, please join us.

### **Childrens**

---

NWEFC welcomes children of all age groups. We have a specific ministry for children undertaken by our Sunday School department. Sunday School classes are held on Sundays for the children's group. Junior church is held during the English Language worship.

### **College & Career Group**

---

If you are wondering who that is - you probably fit!! Please check out further on their meetings in the upcoming events.

### **Young Adult/Adult Group**

---

The adults meet on each Sunday at 9:45a.m. to study God's word. So please do make use of this opportunity to grow along with us.

### **Evangelism & Missions**

---

Our church firmly believes that we must take the good news to our community, other nations and in the places where we are involved. Our church serves at Union Gospel Mission in Vancouver every third Saturday of the month to connect with the people who visit. In addition, we have outreach to a Japanese language group. Our church supports a number of missionaries toiling in other nations by giving them prayer and financial support. Some of the countries in which our missionaries are working are Japan, Nigeria, Papua New Guinea and Canada.

### **Women's Ministry**

---

The women's group supported by our deaconess and the women's ministries are geared to meet the different needs of women. A lot of exciting things seem to be in store!!

### **Prayer**

---

NWEFC survives and grows through PRAYER and God's grace. We do have prayer meetings that are held in both the English Language and in the Japanese Language.
